Lake Huron Medical Center is offering a three (3) part program series, “Until There’s a Cure, There’s Care,” with video, slides and hands-on skill training using the Positive Approach to Care™ (PAC) developed by Teepa Snow, and taught by a PAC Certified Trainer.

This program is designed to help families better understand how it feels to be living with dementia and related changes. Attending all three sessions of the series is encouraged as the topics build on each other.

Weekly topics include:

- Dementia Awareness—The Changing Brain
- Building Positive Skills
- Teepa’s Gems: The Stages of Dementia
